## PLANS BEING MADE TO CONTINUE THE Sycamore Canyon Road to Brand Boulevard

Action is being taken by the City Trustees on the Sycamore Canyon Improvement Project, which was stopped by the war conditions, and the notices of assessments are being published.

This improvement starts near the northeast part of Glendale, and runs southwesterly till it strikes the old Tropico-Glendale dividing line, near Adams and Acacia. The plans call for a 100-foot paved boulevard, so built that besides being a street, it will care for the flood waters from Sycamore Canyon, and also provide a road-bed for the P. E. Railway in the center.

A petition, with map attached, is now being circulated among the property owners affected, asking the City Trustees to commence proceedings to continue this boulevard through the Tropico Section, as originally planned, connecting with Brand Boulevard at Cypress Street.

This improvement will be of great value to this section, especially from Park Avenue south to the city limits, opening up as it does a fine residence tract in the south-east section, and without doubt will bring nearly all of the Pasadena-Hollywood travel down this diagonal boulevard, and that stream of traffic will then swing into Los Feliz road at the City Hall.

Property valuations are low now, and the present is an opportune time to start this improvement, so lets get busy and talk and work for the Sycamore Canyon Boulevard.

## LINCOLN BELONGS TO ALL THE WORLD

Apostrophe to Abraham Lincoln

By Samuel Parker

With hair disordered and unkempt,  
With looks and dress severely plain;  
From any charge of style exempt,  
Shall we e'er see thy like again?

Walked thou among thy fellow-men  
With awkward and ungainly gait.  
Thou wast in looks most glorious,  
when  
Holding so firm the helm of state.

Though long and large thy bony hand,  
It penned the edict grand, that gave  
Freedom to all throughout the land,  
Struck every fetter from the slave.

No love had thou for courts and kings,  
For emptiness and show combined,  
But sought the excellence that  
springs  
From grander domain of the mind.

That furrowed brow and care-worn  
face  
Stamped thee as one of high de-  
gree  
In realm of thought, commanding  
place,  
Closely akin to Deity

Out with the tide of rushing years  
Unworthy names go rushing by;  
Brighter and brighter thine appears  
One of the few, "not born to die."

With well-nigh woman's tenderness,  
Honest, and simple as a child,  
Thy memory this day we bless,

Our hearts with love for thee be-  
guiled.

While love of liberty shall dwell  
In freedom-loving patriot breast,  
Shall sire to son untiring tell,  
How in thy life the world was blest.

Though granite shaft shall pierce the  
sky,  
More fitting monument shall be  
The love and veneration high  
In which our hearts are holding  
thee.

Glendale, Calif., Feb. 12, 1919.

## GARDEN AND FLOWER SEEDS

The Herald received a few days ago from Washington, D. C., sent by Congressman Randall, a large bag containing packages of flower and vegetable seeds for free distribution among our readers. These seeds are now at the Herald office, where they will be given to those of our readers who will call for them.

## K. OF P. CHANGES

Twin City Lodge, Knights of Pythias, has changed its name to Glendale Lodge, Knights of Pythias, and its meeting nights from Thursdays to Tuesday evenings.

At the next Tuesday evening's convention, the Rank of Knight will be conferred. Visiting Knights invited. Lodge rooms, corner of Park and Brand.

## NO SPRING VACATION FOR OUR SCHOOLS

Adjustments are being made to approximate the normal amount of work in the reduced school year in the grammar grades in Glendale at the present time.

The schools have cut down the time given to music and drawing and hand work in all the lower grades, and put it instead into the "three R's." In addition to that saving, there will not be any spring vacation, which will give one extra week's work, and probably the term will be extended for one week in June, in which event it will end June 28th.

Cuts were made all along the line in the things that were least essential. This cutting is crippling the course of study to some extent, but they are trying to make it the minimum loss, for they do not admit that there are any "non-essentials." In music and drawing, for instance, pu-

pils get less actual practice, but they do not cut down on the theory taught.

To get at the matter in a systematic way, the principals of the schools went over the course of study in history, language, arithmetic, geography, etc., and so revised it as to eliminate everything possible without spoiling the continuity of the work. Then there is a committee for each grade to revise the list of spelling words. In the Intermediate and Cerritos schools they have a committee on each essential subject to work on the course of study and cut it down to the minimum. All these committees will turn in their reports, and work will be done accordingly. Some have not completed their work, but their reports will be in before the new term starts.

## CONGRATULATIONS

When W. S. Perrin, who is with the First National Bank of Glendale, was presented with a huge bouquet last Monday noon by his fellow-workers at the bank, he was quite surprised,

and feared for a minute that he was overlooking some important anniversary—but on the flowers was a card, "Congratulations, Grandpa."

Mr. and Mrs. Lynn Perrin are the proud parents of a baby girl, born on Monday, February 10. Mother and child are doing nicely.

The Irish Linen Store, which closed up a short time ago, is going to open in the old Victor Cafe rooms on Brand Boulevard. It probably will be open about March 1.

Wonder if Wrigley, if he does buy Catalina Island, will call it Spear-mint?

The Glendale Phonograph and Piano Company is going to move about the first of the month to the room formerly occupied by the Irish Linen Store, 109 North Brand Boulevard.

The Victory Liberty Loan will come in April.

## PROCEEDINGS OF BOARD OF TRUSTEES

The Board assembled at 8:10 p. m. Thursday, all members present, except Trustee Jackson. The minutes of the last meeting were read and approved.

The Clerk called the attention of the Board to the application of C. A. Beeson and Son, presented to the Board on the 21st of November, 1918, for a permit to operate auto trucks over the streets of Glendale, no action having been taken since the reference of the matter to the City Attorney. On motion of Trustee Shaw it was ordered that a hearing in this case be set for 8:00 o'clock p. m., February 27, 1919.

The City Engineer presented a map of the Penfield Tract (outside the City of Glendale) and recommended that the said map be approved by the Board. On motion of Trustee Muhleman, it was ordered that the Board give its approval to the map of the Penfield Tract, submitted by the City Engineer.

The Tax Collector's report for the week ending on this date was presented to the Board, showing receipts since the last report amounting to \$366.17, making a total to date

of \$57,252.29. Same was ordered to be filed.

The City Assessor made a report in regard to the assessment of the property of Mr. Pelanconi, a portion of which is outside of the City of Glendale, and had been erroneously assessed by the City, recommending that a proportionate reduction be made in the assessment. This and one or two other corrections in the assessment roll reported upon by the Assessor, were referred to the City Attorney to report at the next meeting.

The Manager of the Public Service Department filed a report on matters connected with his department, particularly in regard to the possibilities in development work in Verdugo Canyon, which on motion of Trustee Muhleman was referred to the Committee of the Whole. The Manager of the Public Service Department also presented certain data in reference to the holdings of the City of Glendale in the Verdugo Canyon Water Co. and in regard to a number of water owners formerly under the distributing system of the Verdugo Pipe and Reservoir Co., but as he was not yet prepared to make recommendations in regard to the cost of service to these parties, action on the matter was deferred until the next meeting.

The City Attorney made a report

in regard to the status of the water suit between the City of Glendale, Verdugo Canyon Water Co., Messrs. Ross and Thom and the owners of Verdugo Canyon Tract. The matter has not yet come to an issue, and the prospect is encouraging for satisfactory settlement of the matter out of court.

In reference to the expense incurred by the City of Glendale in resisting the attempt of the telephone company to increase telephone rates between Glendale and Los Angeles, on motion of Trustee Shaw the matter was referred to the City Manager to prepare a statement showing details and the amount of the same for preparation, to other corporations and committees that had expressed their willingness to bear a portion of the expense incurred.

The Chairman appointed Trustees Shaw and Muhleman a committee to prepare a Memorial showing the appreciation of the City of Glendale for the services performed by returning soldiers who have been in the service from this community.

Adjourned.

The people who say they won't subscribe to the next issue of Liberty bonds are probably the same ones who complain because there aren't enough ships to bring the boys home quickly.

Lieut. Dwight L. Stephenson will be a speaker at the meeting of the Christian Endeavor Society of the Presbyterian Church next Sunday evening and will tell some of his camp experiences and impressions.

Mrs. Emma Nelson and two small children arrived Wednesday from Rawlins, Wyoming, and will make their home for the present with Mrs. Nelson's sister, Mrs. L. A. Guth, of Cypress Street. Mrs. Nelson and children were bereaved recently by the death of the husband and father, following an attack of influenza.

Mrs. G. Mills, the popular book-keeper of Coker the plumber, and her daughter, Mrs. Lou Kirri, are visiting friends in Randsburg, Kern County. It is a mining center in the hills on the outskirts of the desert, and a postal picture which this office received, portrays a typical mining camp with plenty of "scenery and ozone." The ladies expect to be gone for several weeks.

Miss Ethel Baird, of Cypress Street, was bridesmaid on Monday morning at the Cathedral in Los Angeles, at the wedding of Miss Jane Shaffer and James Marino. Miss Baird wore grey taffeta and carried a bouquet of pink roses. The bride wore white crepe de chine, and carried a bou-

quet of lilies of the valley. Mr. L. Peters, of Los Angeles, was best man.

#### **YARBROUGH HAT SHOP TRANSFORMATIONS**

Mrs. Grace Yarbrough has had her Milliner Parlors completely remodeled and refinished. The painting is in ivory, with special decoration.

The rear, "trying on" room has been opened up into the main room, and is flanked by large plate glass mirrors, while the front room has been especially fitted with an elaborate system of cabinets for the display of hats, etc.

As you may note, by her advertisement, she will have a special re-opening next Thursday, to which the Tropico ladies are especially invited.

#### **SOLDIER BOYS COME HOME**

The past week has seen many of our soldiers return to their homes, and that they are glad to get here and are being warmly welcomed goes without saying.

Among those most recently returned are:

Sergeant Jesse Flower, Corporal Winthrop Jackson, Sergeant Clarence Edwards and John College, who were in the Fourth Trench Mortar Battalion, and were all enlisted in the Coast Artillery, Howard Elliott, from an ammunition train attached to the Thirteenth Division at Camp Lewis, Sergeant Howard Anderson and Waggoner Allen Bullis, who were overseas with ammunition trains of the American Expeditionary Forces, Edward Borncamp, from Mather Field, near Sacramento, and H. S. Richards, from Camp Lewis.

## LOCAL HAPPENINGS

Mrs. Sam Massengill of Bristol, Virginia, and Mrs. E. P. Pendleton, of Ft. Worth, Texas, were recent guests of Mrs. Joseph V. Griffin. They are en route to Capitola, California, where they will visit their sister, Mrs. Mel H. Weiler, formerly a resident of Glendale.

Mrs. J. Castieg, of 124 West Garfield Avenue, is recovering from a severe cold, which was at first thought to be a case of the prevailing influenza.

Friends of Mrs. Alice Carpenter Crandall will be interested to know that on Saturday, February 8th, at the Good Samaritan Hospital, she gave birth to a 7½-pound girl. Mrs. Crandall's husband died of pneumonia following influenza, in November, on the day her son was a year old.

Corporal Harry La Fountain, of the 8th Ammunition Train, Ordnance Detachment, passed through Los Angeles Wednesday evening en route to Camp Kearny, from Camp Lee, Va., to be mustered out.

Julius Moniot is glad to be home again, although he enjoyed being in Uncle Sam's service at Vancouver for several months. He says his brother Ed is on his way home from overseas, and his brother Al is still at Fortress Monroe, Va.

Corporal Charles Newton Hilton, has recently returned from overseas, and will soon arrive in Glendale, to join her mother, Mrs. R. H. Hilton, who is the guest of her aunt, Mrs. Louise Purnell, of 337 Riverdale Drive. Mrs. Hilton is from Springfield, Ills., and she is delighted with Southern California, even though the weather has not been ideal since her arrival a week ago. She was accompanied by a six-months-old baby that seems to be thriving under this milder climate.

Mrs. Ella H. Cate, of 1250 South Maryland Avenue, is daily expecting

to hear just when her son John will be mustered out of the service, or, it is quite possible he will walk in unannounced, to surprise her. He joined the aviation service, and has been overseas for a year, having attained the rank of 1st sergeant in the 162nd Aerial Squadron. The scene at Brest, France, where Sergt. Cate embarked for "home," where over a hundred thousand men are anxiously awaiting their turn to sail homeward, he compares to a "beehive without the queen."

Mrs. William A. Krause, of Laclede Avenue, spent Sunday in Pasadena.

Mr. and Mrs. William M. Crawford are spending the week-end with friends in Pomona, where Mr. Craw-

ford's mother Mrs. Eliza J. Crawford, has been a guest for a fortnight.

Dr. and Mrs. Burbank and son, Long Beach, and Mrs. Crane, of Hollywood, were guests of Mrs. W. I. Baird, of South Brand Boulevard, on Sunday.

On Sunday evening, February 23, the choir of the Tropico Methodist Church will have a choral service instead of the regular preaching service.

Miss Adda Burch was a guest at a luncheon given on Wednesday by Miss Esther J. Dool for the officers of the Los Angeles W. C. T. U. Covers were laid for seven. The color scheme was pink. Miss Emma Welch, state recording secretary of the Rhode Island W. C. T. U., was an honor guest.

The Philathea Class of the Methodist Sunday School gave a dinner on Thursday evening in the Yeoman Hall, with a good attendance and delicious "eats." We did not learn the financial result.

Mr. and Mrs. R. L. Milligan, of 114 East Park Avenue, left last Friday evening for Kansas City, immediately after receiving a telegram conveying the sad news of the death of their youngest daughter, Mrs. Gladys Funk. Mrs. Milligan had just returned from Kansas City three weeks ago, and at that time Mrs. Funk was apparently in perfect health. The telegram failed to state the cause of this sudden death, and, as yet, Mrs. Oliver M. Carpenter, who is a sister, has had no other word. Mrs. Funk spent the summer, six years ago, here with her parents and sister, and made a host of friends, who extend their sincere sympathies to the bereaved ones.

Rev. Henry Good will preach tomorrow (Sunday) morning in the Methodist Church of Tropico, and Rev. H. S. Munger will preach in the evening.

A well, sunk down about 1000 feet, furnishes the water, and a house built for the desert is where they sleep. Of course water is king in that country, and Mr. Echols has plenty of it on

his ranch.

The ranch is situated about 2½ miles from the town of Coachella, in one of the richest sections of the valley. Just across the road from the Echols ranch is the Narbourne Ranch, famed all over the valley, and also one of the show places of the valley.

Mr. Echols is very enthusiastic about the Coachella Valley and about his ranch. He says the valley is looking wonderfully well, and that there are many newcomers in the valley. Things are growing fine, and

wheat on his place is about 1 foot in height at present. The new road from Coachella to Brawley, which is being worked on at the present time, will be a big thing for Coachella, as it will make the distance much shorter from Los Angeles, than by the way of San Diego and Campo, the way automobiles go now.

Mr. Echols' mother, brother and sister are on the Coachella ranch and like the place very much. It is their expectation, in time, to have the whole ranch planted to dates.

A mass meeting was held Tuesday night in the Glendale Union High School auditorium, under the auspices of the Greater Glendale Development Association. Norton C. Wells, president of the association, presided, and introduced the speakers, City Attorney W. E. Evans and Assemblyman John Robert White.

#### O. H. BURCHARD PASSES AWAY

Oscar Herman Burchard passed away at his home, 466 West Maple Street, Glendale, where he had lived for the past seven and a half years, on Tuesday, February 11th, at the age of 57 years. The deceased was a baker by trade. He is survived by his wife, a son and a daughter.

#### AT THE PALACE GRAND

Two big pictures are being offered at the Palace Grand Theatre today, and either one alone would be well worth the time and money spent in attending. John Barrymore, the famous comedian, appears in "Here Comes the Bride," a great comedy drama, and the other attraction is Roscoe (Fatty) Arbuckle, in his latest roaring comedy, "Camping Out." Children's matinee at 2:30.

Tomorrow, Sunday, February 16, charming Anita Stewart will be seen in "Virtuous Wives," which is described as a great story achievement. She is supported by an all-star cast. There is a good comedy on the same program. The matinee begins at 2:30.

For Monday, February 17th, George Broadhurst's great stage play success, "Today," will be presented. Florence Reed takes the principal part. On the same program will be shown the latest Pathé News, showing the events now happening in the countries of Europe. Matinee as always, at 2:30. Evening shows at 7:00 and 8:45.

A beautiful dramatic star will be presented to Palace Grand patrons on Tuesday, when Elsie Ferguson appears in "Under the Greenwood Tree." This is a very unusual story. There will also be a Christie comedy called "Johnny Go Get 'Em."

Geraldine Farrar, the star who has done such wonderful work in opera as well as in pictures, may be seen here on Wednesday in her latest and greatest triumph, "The Hell Cat." This picture was made in the heart of the Wyoming Rockies. It is an intense and most dramatic picture. There will also be a Lyons-Moran comedy, "How's Your Husband?" and Topics of the Day by the Literary Digest. Matinee at 2:30. Two evening shows, 7:00 and 8:45.

A great Indian story, "The Heart of Wetona," is the attraction for next Thursday, with Norma Talmadge as star. It will prove a treat to those who see it. The official allied war review will be shown also.

A big screen drama, in seven inspiring acts, will be seen on Friday. It is called "The Road to France,"

and is the story of shipbuilding in the United States. Two popular stars are featured, Carlyle Blackwell and Evelyn Greeley, and the story is one of great heart interest. Burton Holmes outdoor pictures will be shown also. Matinee at 2:30. Evening shows at 7:00 and at 8:45.

"Under the Top" is the name of the big picture that comes to the Palace Grand on Saturday, February 22nd. It is not only a great story, but it features no less a star than Fred Stone, who, though he has just entered the picture field, has long been the stage's most famous acrobatic comedian. It is a story of the circus, and will take you back to childhood days. Also a Harold Lloyd comedy will be shown "She Loves Me Not," and Bray pictograph and cartoon comedy. Matinee at 2:30, evening shows at 6:45 and 8:45.

The person who was "not to be sneezed at" was formerly one considered worthy of special respect, but now he merely doesn't want to get your influenza.

**MOVE TO BURBANK**

Mr. and Mrs. C. B. Lane moved last Saturday from the home at 215 West Chestnut, where they have resided for the past five years, to Tujunga Avenue, Burbank. Mr. Lane now being associated with the Blanchard Lumber Company of that city. Mr.

Lane was formerly manager of the Tropico Lumber Company in the Tropico district. Several events of a social nature were planned by their friends as a farewell courtesy, but had to be abandoned, owing to the recent illness of Mrs. Lane's mother, Mrs. Blakely, of Long Beach, but who, they are pleased to report, is now much improved.

**THE HEART OF HUMANITY**

Sunday, February 16, marks the formal opening at the Kinema Theater, Los Angeles, of "The Heart of Humanity," Allen J. Holubar's super spectacle starring Dorothy Phillips, which is now running in its eighth week at the Broadway Theater, New York.

Carl Leammle, president of the Universal Film Company, under whose banner Allen J. Holubar produced the master drama, has leased the Kinema theater outright for this engagement, and Holubar himself, the director, will turn exhibitor for once, and personally supervise the presentation.

An augmented orchestra under the direction of James Melford, former leader of the Catalina band, will play a special score on which Melford, Benjamin Laietsky and James Bradford, leader of the orchestra at the Broadway theater, New York, have collaborated.

"The Heart of Humanity" is not a war picture. It is an after-the-war drama, using the great conflict simply as a background, its theme being to show the glorification of woman that has come about through the great sacrifices made by the women of the warring countries.

Miss Phillips is supported by an all-star cast including William Stowell, Robert Anderson, of "Hearts of the World" fame, Margaret Mann and others.

The critics of New York, usually the harshest judges of drama in the world, have been unanimous in their praise of "The Heart of Humanity." The picture will be shown at the Kinema for a limited engagement only. An elaborate prologue has been arranged. Five shows daily will be given.

## Local Dealers' Advice Is Often Helpful

Your local merchants know their goods and are always glad and willing to let you profit by their knowledge when you go to them for merchandise.

When you are undecided between two articles—when you don't know which is best for your needs—your local dealer's advice may make your problem an easy one.

But when you buy by "sight unseen" methods you have no one to ask for advice. Then your experience is the

only teacher, but, unfortunately, a poor adviser. *Moral:* Patronize the local dealers and get their advice on important purchases.
